The 1967 EASTONER

OLIVER AMES HIGH SCHOOL
North Easton, Massachusetts

FOREWORD

"With individuals so strong can a generation be weak?"

A real school is not a building full of classrooms, a gymnasium, a study hall, or a football field—a school is the individuals who become such an integral part of one ordinary building that they mold and form the ideals and spirit of those four walls. Oliver Ames High School is a real school. Vibrating with excitement throughout the entire year—the big game, the class play, the Prom, Senior Week—the throb and heartbeat of Oliver Ames are formed by the many people who care. If each individual who is a unique and necessary part of our school can learn and draw from the rich and vast experience of his high school career after he leaves Oliver Ames, his personality and spirit will benefit from it. The student himself is the master key. If he utilizes all of his gifts—his own talents, abilities, and determination—he can successfully unlock the doors of his future. The President of the Senior Class and I ask you to come with us and become a part of each individual student of Oliver Ames. Each one helps to form the pulsating spirit of Oliver Ames High School, and each one will thus help to form his future. Striving without fear, we cannot help but move forward.

Superintendent's Message

MR. PHILIP M. HALLOWELL
Superintendent of Schools

It is again a pleasure for me to write a message in the Eastoner for the Class of 1967. Joseph Addison wrote in the "London Spectator" in 1711:

"Education is a companion which no misfortune can depress, no crime can destroy, no enemy can alienate, no despotism can enslave. At home a friend, abroad an introduction, in solitude a solace, and in society an ornament."

People become what they have known and experienced. These past twelve years of education will be the foundation upon which you will build your future life experiences. I am certain that many of you will want to continue to broaden these initial educational experiences beyond graduation day, 1967.

MR. JOHN FARRINGTON
Administrative Assistant
to the Superintendent

Principal's Message

MR. JULIAN PREUSS
Principal

As you close your high school careers, I hope that you will take with you many pleasant memories of your activities these last four years. These have been busy years, and I am sure very productive ones in helping you to establish a foundation from which you go on to greater achievements.

If I were asked to choose the one thing I would most like to have you possess as you leave, it would be an intense feeling of responsibility for improving the society in which you live. A feeling which would be evidenced not by critical thoughts and actions, but by constructive thoughts and actions. It takes no talent whatever to tear down, but a great deal to build up, and this must be your contribution to the future.

I extend my best wishes to each of you and hope that you will return to visit us.

MR. CLYDE CRAIG

MRS. ELSIE ROCKWELL

MRS. MARJORIE SELLON

School Committee

Seated: Mrs. Marilyn E. Copeland, Mr. Norman A. Anderson, Chairman; Dr. Barbara H. Gray; *Standing:* Mr. Leo D. McEvoy, Dr. Goodwill M. Stewart.

The foundation of a building, which is the basic support, is overshadowed by the craftsmanship and beauty of the material of which the building is faced.

The School Committee is the foundation on an educational edifice offering unheralded support through devotion to the youth of the schools.

In Easton we are dedicated to overseeing an educational program which offers quality and security.

We sincerely hope that the policies we have set, the resources we have contracted, the innovations and changes we have censored and the traditions we have preserved have given you a sound and firm foundation upon which to build the super-structure of your future.

Never let that which Easton has given you become overshadowed by the grandeur of success.

The primary objective of the Guidance Department is to aid each student in becoming a mature individual and in combining his talents, traits, and interests into a cohesive energy-giving whole, through the use of the best available objective and subjective aids. Our aim is to provide a non-critical atmosphere that will encourage self-exploration, and we shall offer various kinds of information and clarifications to aid him in co-ordinating his educational, vocational, and personal objectives. We strive to develop stability, identity, and confidence so that the student does not require supportive relationships from us or any other single source. This is the nucleus of our program which all other objectives support and stimulate.

Senior Officers and Advisors

SENIORS

It is with great pride and pleasure that the Oliver Ames High School Class of 1967 records its class history.

The first class meeting was held on December 10, 1963 with Michael Maguire, president; Thomas Reilly, vice-president; Anne Coe, secretary; Dennis Bentley, treasurer, and Mr. Charles Babb, advisor. At this meeting we voted for the class motto, which is "Contendo Sine Timore." This was placed on a banner bearing our class colors, blue and white. Throughout our freshman year we sponsored many dances, cake sales, and car washes which were all enjoyable and financially successful.

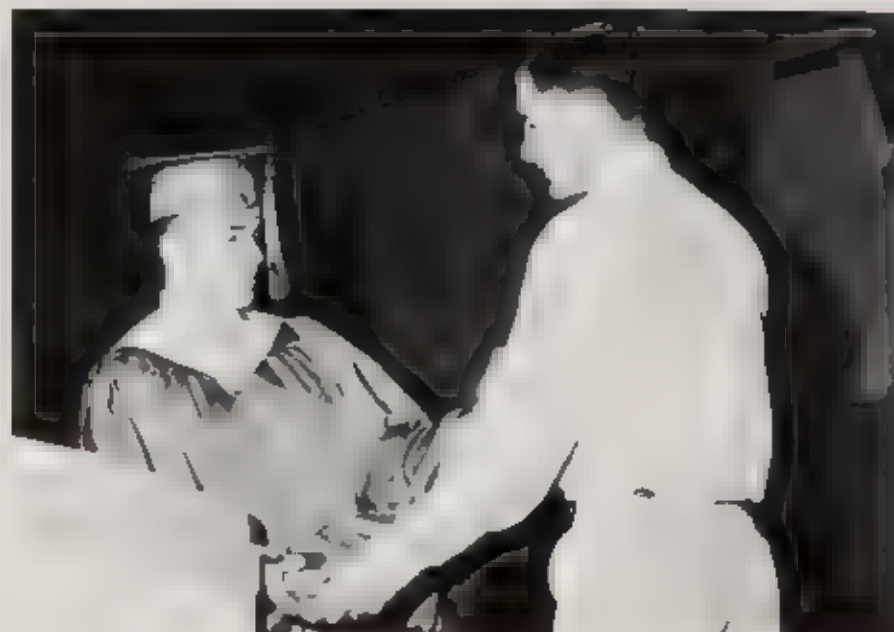

No one will ever forget our freshman basketball team which, under the fine coaching of Mr. Paul Urban, went on to win the class "B" title on March 21, 1964. The most memorable event of our freshman year was our social, "Summer Enchantment," held on June 5, 1964, which was also a social and financial success.

In the fall of 1964 we entered Oliver Ames High School for the first time as sophomores, and Mr. Robert Wooster became our class advisor. On October 17 our first meeting was held with Richard Tino, president; Harry Messier, vice-president; Anne Coe, secretary; and Dennis Bentley, treasurer. At this meeting we discussed our first dance, a Halloween hop, and with the fine work of the committees it was a great success. On December 18 we received our class rings and felt proud and honored to wear a symbol of our school. We very successfully presented "Young at Heart," our social, on February 13, 1965. Throughout our sophomore year we were well represented in sports and other school activities.

Our junior year rolled around with excitement and the future at hand. On September 28, 1965, the junior class held its first meeting with Thomas Reilly as president, Harry Messier, vice-president; Anne Coe, secretary; and Leslie Gray, treasurer. Our junior social was held on November 18, 1965, with the theme "Carnival of Colors." The beautiful murals and gayly colored streamers added to the fun and success of our junior year.

During the month of March the following students were chosen for the National Honor Society: Dorothy Anderson, Alice Belair, and Marylynn Carlson. We were well represented in Student Council throughout the year with Martha Bergeron as vice-president and Paul Anderson, Mary Bougas, Barbara Lyons, and Barbara Mitchell as class representatives. Our classmates should be congratulated for their contribution to the various sports activities throughout the year, with Thomas Clay captain of the basketball team and Thomas Heenan co-captain of the baseball team.

Spring arrived and already preparations had begun for the Junior-Senior Prom. Excitement and chaos mingled in the school those last few days before the Prom, and a most memorable and delightful evening was spent by all those who attended "Moments to Remember." At this time Diana Churchill was selected as Oliver Ames' delegate to Girls' State, with Dorothy Anderson as alternate, and Paul McAuliffe was chosen as the delegate to Boys' State with Thomas Clay as alternate. In June the Senior Reception was the last event we attended as juniors. The usherettes included Joanne Erickson, Anne Coe, Ann Burke, Frances Kent, Ellen Cady, Sylvia Povoas, Susan Shaffer, Rhonda Nisenbaum, Judith Correia, and Mary Bougas. The ushers were Thomas Clay, Thomas Reilly, Harry Messier, Dennis Bentley, Jeffrey Chase, Robert Bridge, James MacDonald, Paul Anderson, and Paul DeCouto.

History

Our last year at Oliver Ames began in the fall of 1966. The class officers remained the same with Mr. Wooster as our loyal advisor. Our Senior Social was held on October 22, 1966, to the theme of "Black Magic," and the hard work of all involved made our last social one we will never forget. We made plans for several months with the help of Miss Sandra Wheat, our director, of our class play. "The Curious Savage" was a tremendous success as Leslie Gray and Peter Paulino led the fine cast of characters through two sellout performances. Our thanks and gratitude also go to the people behind the stage.

The class has distinguished itself in all efforts at Oliver Ames High School in the last four years. As seniors Diana Churchill and Rhonda Nisenbaum led the undefeated hockey team, Paul DeCouto and Harry Messier were truly outstanding co-captains of our football team. During our victorious basketball season our team was headed by Paul Anderson and Thomas Clay. Sylvia Povoas, captain of the cheerleading squad was aided by seniors Anne Burke, Ellen Cady, Anne Coe, and mascot Susan Flynn in cheering our teams to victory. Diana Churchill co-captained the girls' basketball team and led them to win the Hockomock League championship. At this time Dorothy Anderson received the D.A.R. Good Citizen Award and Douglas Miller represented us on Good Government Day at the State House.

In April we held our Junior-Senior Prom at the Blue Hill Country Club. The elegance and springtime atmosphere of the event left an impression never to be forgotten. Our class was well represented on the Student Council with Martha Bergeron, president, Mary Bougas, secretary, Barbara Mitchell, treasurer, and Paul Anderson, Robert Bridge, Barbara Lyons, and Paul McAuliffe, representatives. The baseball team was co-captained by Robert Bridge and James Hall. Frances Kent and Diana Churchill co-captained the softball team, and Thomas Reilly and Paul Anderson led the track team.

Senior week finally, but sadly, arrived as we ended our high school days with Baccalaureate, our class trip, Class Day exercises, and Graduation. Friday night an altogether too short reception was held during which we said goodby to our teachers, classmates, friends, and Oliver Ames High School.

Now the time has come to go our separate ways, to "strive without fear," and to meet all the responsibilities of our long-awaited future.

Class of 1968

Barry Smith, Patricia Boynton, Susan Anderson, Bernard Mallory

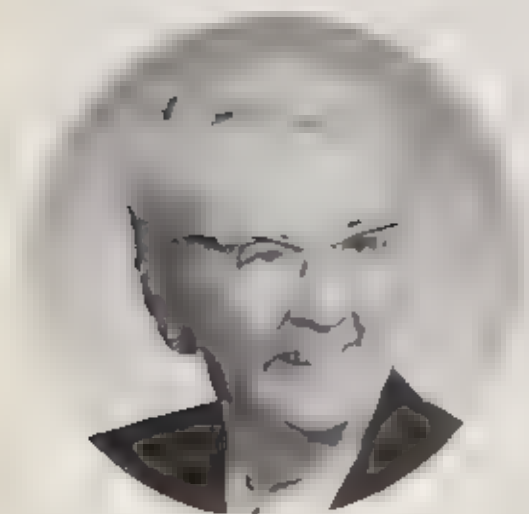

The class of 1968 has enjoyed a successful year, and looks forward with eagerness to its last year at Oliver Ames. We held our first meeting in September, 1966, with officers Barry Smith, president; Bernard Mallory, vice-president; Susan Anderson, secretary; and Patricia Boynton, treasurer, presiding.

Our social, "Abstract '68," was held in November, and we also sponsored two record hops. We raised money from cake sales, a car wash, and a bottle drive. Many juniors played a big part in our sports victories and the success of all school functions.

Soon after Christmas vacation we began making plans for our Prom in the spring. Some of the juniors ushered at graduation and the reception as our junior year came to a close.

We would like to express our thanks to Mrs. Carter and our assistant advisors, who patiently helped us throughout this past year.

Our class advisor was Miss Rivard.

Our class has participated in many activities throughout the year; our Student Council representatives were Donna Andrews, Julie Firing, Paula Higgins, and Richard Rollins.

The Class of 1969 would like to thank Miss Rivard and our assistant advisors for making this year successful.

The Student Council has enjoyed a most successful year under the leadership of president Martha Bergeron, vice-president Richard Lyons, secretary Mary Bougas, and treasurer Barbara Mitchell. In the fall the Council sponsored the first dance of the school year, and later four delegates were sent to the Student Council Convention at Ayer High School.

The Thanks with Giving Drive, which exceeded the school's quota, was sponsored by the students. It was suggested and unanimously agreed that the OA Student Council together with the Junior High School should sponsor a Peace Corps School abroad.

During the past year the Council has tried to better represent the students by means of regular reports over the intercom and homeroom discussions. We hope that this system has enabled the Council to better fulfill its purpose.

We would like to give our sincerest thanks to Mrs. Varella, our faculty advisor, for the time and effort she has given us.

During the past year, the Oliver Ames Chapter of the National Honor Society has endeavored to become a more active influence in the school. Having conducted various activities throughout the year, we feel that we have helped to make the Honor Society the type of organization that it should be. On October 13, 1966, a tea was held for the Honor Society members at which Miss Kathryn Healey spoke concerning her recent Scandinavian trip. On December 21, 1966, the group held a Christmas tea for the members of the faculty. Initiation of forty-one new members took place on March 10, 1967 at impressive ceremonies with Dr. Fred B. Millett, Professor Emeritus, Wesleyan University, as guest speaker. Following the induction, a social hour was held for the new members and their parents. In the spring, the group's annual outing to Boston was held. During the latter part of May, the formal induction ceremonies of next year's officers took place.

The officers for the year were: President, Alice Belair; Secretary, Dorothy Anderson; Treasurer, Marylynn Carlson; and Vice President, Kenneth DePaul, who took office after the new members were initiated. The members of the National Honor Society wish to extend our thanks and appreciation to Mr. Smith, our advisor, for his assistance this past year.

One of the major concerns confronting Mrs. Andrus upon returning to school in the fall of 1966 was the choice of qualified assistants capable of maintaining the high standards of the Oliver Ames High School Library. Aside from carrying out daily procedures, the twenty assistants took care of the new magazines, filed back issues for future use, made display case exhibits, bulletin boards, and special exhibits, and erected topic plates on the shelving. Because of their efficiency, books arriving on one day were processed and ready for use on the next, and library service was uninterrupted even though on occasion Mrs. Andrus was absent for a meeting or library convention.

The whole year has been filled with enjoyment, both in the library and at occasional parties and the final cook-out at Mrs. Andrus' house. We wish to express our deepest thanks to Mrs. Andrus for her contribution in making our Senior Year happy and rewarding.

With many novices we have competed in several tournaments, inter-school and intersquad debates, and regional competitions. The highlight of the year was our annual varsity tournament at Stonehill College. We have debated the national high school debate topic, "The United States Foreign Aid Policy," and several other topics of our own.

The 1966-67 French Club has been very active under the direction of Mr. Ialenti. The first meeting was held in September with the following officers elected: president, Thomas Clay; vice-president, Jeffrey Chase; secretary, Judith Ferretti; and treasurer, Dorothy Anderson. Early in the year members received French pen pals and have continued to correspond with them.

One of the major aims of the club this year was to attend as many French plays and movies in the area as possible. "Is Paris Burning?", which we attended in November, and several other productions were enjoyed by all.

The French Club also organized several year-end activities such as the trip to a French restaurant and the annual club cookout, both of which were memorable occasions. The members wish to thank Mr. Ialenti for his contribution of time and effort, which helped to make the club's activities successful and worthwhile.

The purpose of the Spanish Club is to examine Spanish culture. With Miss Harrington as its advisor, the club has been very active and has provided interesting insight and enjoyment to all who have participated.

Again this year the club held a highly successful and entertaining Christmas party. Among its other functions were a number of field trips to Boston and an excursion to Revere Beach.

In all its activities the club has endeavored to follow the many rich and colorful traditions of Spain. Through films and its program of other educational and social events, the club has been a valuable aid to all its members in fostering appreciation of the Spanish culture.

With Mrs. Ruth C. Ashley as director, the Glee Club and Concert Choir enjoyed an active year of singing. At Christmas both groups performed for several organizations in Easton as well as in school. In the spring two special programs and a Spring Pops Concert were presented along with the annual musical.

Last spring the Glee Club won an honorable mention award at the Southeastern Massachusetts Music Festival. Several members were chosen to represent the school at the Southeast District Music Festival: Jane Sullivan, Susan Carr, Maybelle Cederholm, Susan Anderson, Laurie Stewart, Charlotte Klahn, Lawrence Barretto, Thomas Stewart, and John Winters. A few of these also performed at the All-State Concert.

The group's many musical seniors, together with the underclassmen and with the wonderful guidance of Mrs. Ashley, have helped to make this a truly successful year.

This year's F.T.A. re-evaluated its purpose and became more than a money-raising organization; money for scholarships was raised by selling candy at lunchtime, but most of our activities were to create awareness of the meaning of teaching. The club visited several colleges to observe campus life, and speakers from other schools told members what to expect from teacher training programs. F.T.A. members performed community service by supplying educational pamphlets to parents during Open House and preparing display cases to publicize NEA Week.

An essay contest on "The Ideal Teacher" made members aware of goals in teaching, and the first three winning essays were published and distributed to club and faculty members. A major project of the club this year was the initiation of an assistance program for the high school teachers. Members aided by correcting and filing papers, arranging bulletin board displays, and performing other tasks. Both F.T.A. members and faculty benefited.

The officers this year were Ann Burke, president. Marjorie Toomey, vice-president, Patricia Boynton and Barbara Lyons, secretaries, and Eleanor St. George, treasurer. The club is grateful to Mrs. Mulcahy, our advisor, for her time and help.

The Future Nurses Club of 1966-67 had a very successful year under the leadership of its officers, Phyllis Ryan, president; Susan Giordano, vice-president; Susan Maguire, secretary; and Diane Mathers, treasurer.

We were given the opportunity to view and perform many of the basic functions of a nurse. Members of the club assisted the Nurse's Office at the Parkview School and spent many hours working on various projects for local hospitals and nursing homes and serving as volunteers at the Well-Child Clinic. The club visited area hospitals and was privileged to have guest speakers who gave us an insight to careers in the nursing profession.

This year the Drama Club has been active and successful under the direction of Miss Wheat. Classes were held at early meetings in which we learned set construction, the use of makeup, and various other techniques that go into producing a play. These classes enabled many members to help with the club's dramatic productions during the year, which included a children's play we presented in February. Another highlight was our entry in the annual Regional Drama Festival in March. The club has also taken a number of trips to see professional plays, some of which were paid for with funds that the members raised. All in all we have had a very enjoyable year, and we hope the club's enthusiasm will continue in the years to come.

The Oliver Ames Tiger Band enjoyed a rewarding year under the direction of Mr. J. Donald Amirault. The band played in parades and all but two of the football games, and presented exchange concerts with Meredith, New Hampshire, and a Christmas concert with the band alumni.

The sale of birthday calendars provided funds for our exchange concert. The officers of the band this year were: president, Bill Dexter, vice-president, Pam Varney; secretary, Bob Austin; treasurer, Pam Miller; Librarians, Sandy West and Sue Anderson; Managers, Bob Carlson, and Tom Stewart.

This year's SEMSBA members were Bill Dexter, Peter Paulino, and Elizabeth Owen; Bill Dexter also made District Orchestra, All-State Orchestra, and All-Eastern Orchestra. Peter Paulino played with the District Band, All-State Band, and All-Eastern Band.

The members of the band would like to thank Mr. Amirault, Mr. Sahl, and the Band Parents Association for their work and the time they have given to make this year a success.

O. A. chalked up another winning season on the gridiron this year. Quoting Coach Bill Nixon, "We may not have gone undefeated, but the team was a winner in every other respect. The unity of the boys was excellent and made it a pleasurable coaching season." This was the tone expressed by all concerned, and the boys deserve all the credit we can give them.

The season began as we traveled to meet a new opponent, Ipswich. It was pure excitement from the initial kick-off to the final whistle. On the first set of downs George Scott recovered an Ipswich fumble, the first of four recoveries for him that afternoon. This started us rolling. Bob Bridge took charge of the club and sent Dennis Bentley for our first score. Ipswich came back with a score and extra points to make it 8-6. Time went by witnessing an amazing defensive effort by both clubs, and it was Tom Casey's great interception and runback that scored our winning TD and ended the game at 12-8.

In the most exciting game of the entire season another new opponent, Somerset, clipped our wings of glory 16-11. It was our first home game and 'just one of those days' when you fight as hard as you can and things just don't go your way. We had a number of those days as we met some of the toughest teams in the state: Franklin, Canton, and Foxboro.

On the other side of the fence we had those days when everything goes right and you come out on top. In these games we rolled up the tallies: Mansfield King Philip, Dighton-Rehoboth. However, the game we're most proud of found us in the big city, Taunton. In the last few years we have become arch-rivals of our neighbors in the south. Our team made a showing to match any year against Taunton. We went up to meet the foe with our traditional BURNING DESIRE, and we came up with a victory 30-6 in our best game of the season.

Our Senior roster went as follows: Co-Captain Harry Messier, Co Captain Paul DeCouto, Bob Bridge, Dick Blackmore, Tom Casey, Jeff Chase, Paul Anderson, Rick Tino, George Scott, Ed Mather, Tom Reilly, Jim Hailey. This was the team that represented us, and they deserve our congratulations.

To close, we leave our thanks to Coach Muscato for leading us through this year. We realize the difficulties he and his staff have had; hours of planning, sleepless nights, and even occasional daunting when we lost by a few points. From the team, the class, and the school, we say, "Thanks, Coach."

To our forward looking curriculum at O. A. we have added a new team, the Cross-Country. Our coaching staffs felt at first that the Cross-Country Team would serve as an excellent means of training for our Spring Track Team. This has not only proven true, but the team has gained acceptance in its own right. It is a sport which not only taxes one physically, but also builds character. The boys this year have all shown these traits, and we are proud of them.

The record this year on a win-loss basis does not seem too impressive. However, this is not all that matters. We have seen Coach Hughes and his boys out there putting out regularly and improving their own personal performances. One very notable feat was Elmer 'Buzzie' Harlow's position in the Hockomock League Meet. He placed third in this competition which was the most important of the season. We wish the team luck in the future; we know they are headed for great things.

For the first time in six years, the Oliver Ames field hockey team came through the season with an undefeated record showing seven wins. After the first two victories, King Philip 8-0, and the unexpected win over defending champion Foxboro by the score of 2-1, the team's spirit, stamina, and skill carried them to the goal of Hockomock League champions.

The defensive unit was able to contain its opponents in each game, allowing only one goal to be scored against OA. The offensive line sparked each game with aggressive stick work and hard shooting to score a total of 29 goals in seven games.

Seniors on the Varsity are: Diana Churchill and Rhonda Nisenbaum, co-captains; Lynne Fontenha, Frances Kent, Pamela Miller, and Sandra West. Juniors: Mary Guest, Patricia Healey, Jane Miller, Eleanor St. George. Sophomores: Paula Kenney, Elizabeth Kent, Susan Maynard, Mary Beth Nolan. Freshman: Karen Willis. The Junior Varsity also enjoyed a highly successful season with six wins and one tie.

The members of the team would like to express their sincere thanks to Miss Rivard and Miss Ferrandino for their fine coaching throughout the season and wish next year's team the best of luck.

BASKETBALL

W. Casey, P. Burns, P. DeCouto, R. Bridge, J. Chase, P. Anderson, T. Clay, F. Almquist, W. Dexter, R. Meehan, J. Hall, S. Sundell.

Our season opened at home with a non-league game against Holbrook which was to set the tone for a great season. Our starting line-up was composed of five Seniors who were to play out the season: Captains Tom Clay and Paul Anderson, Center Jeff Chase, and backcourt men Paul DeCouto and Fred Almquist. These were the fellows who succeeded in rolling up 89 points in this first game and continued to score throughout the season.

Captain Clay reached a goal which every high school ball player in the state dreams of, but few achieve. Tom, who had been a Varsity starter since his Sophomore year, reached a career total of 1000 points in game competition. This was the excitement which thrilled the crowd at Canton in the first round of Hockomock League action.

We all wish we could say we were undefeated, but as one can easily see from our scoreboard, two points put that everlasting blemish on the record. That day was a heart breaker as we traveled home from Sharon. But, as they say, revenge is sweet, and we got ours when we played host. That day our scoring punch was back up to par, and we toppled the Sharon club by 19. Another quick glance at the totals shows the only other club to give us trouble was Foxboro. Near the end of the season with the Hockomock title 'still up for grabs' Foxboro made a valiant effort to try to topple the leaders - us. The game went into overtime and thus proved to be the most exciting of the season. 48-42 shows how well the Foxes defense could hold the No. 1 team. In the end, as always, the best team won.

Everyone talks about the great season we had, but seldom do they mention the fellows who made it possible. First, of course, were Coach Muscato and Coach Nixon. Then come the boys themselves. Tom Clay, whom none of us can say enough about, was our high scorer. Paul 'Andy' Anderson, our co-captain, was Mr. All-around Basketball. Our big man on the boards was Jeff Chase, who else? Defense was Paul DeCouto all the way. And Fred our man Almquist was the jumper, the guard, the bouncer and the scorer. Those were our boys.

After our schedule was completed we met Sharon for a play-off, and the Hockomock Championship was ours for another year. We truly proved who was Number One. The game was played on a neutral court, Bridgewater-Raynham, to a capacity crowd. As throughout the season, our fans in the stands were pleased not only at the result but also with the game itself.

In conclusion, we congratulate all the boys on a great season. Next year, we look forward to more of the same from this year's Junior Varsity, who set a school record going undefeated, 22-0.
